

Christmas at 28 Great Russell Street

D.I.S.C.O!

Red Lolly are sure that at the end of 2009 the one thing everyone will want is a boogie to celebrate what has probably been a tough year. What better than the idea of being transported back to an era of luminous lycra, flashing lights and D.I.S.C.O!

28 Great Russell Street is truly a fantastic central party location new for 2009. With atmospheric lighting and authentic nightclub features, guests will automatically feel the party vibe as they enjoy sparkling wine and cocktails and try their luck on retro video games.

As the dining space is revealed, dark corners, coloured lights and disco balls set the perfect scene for an evening of 80s fun! Our amazing party band plays out classics from Spandau Ballet, Blondie and Duran Duran followed by our disco and DJ til the early hours!
