

Christmas 2009 – Red Lolly Hotel Christmas Party Packages

'FIRE & ICE' CHRISTMAS PARTY PACKAGE – Herfordshire Hotel - Hertfordshire

Venue Description: A short distance from Junction 19 of the M25 this venue is truly stunning.

The venue is set in stunning grounds and combines the history of an 18th Century Mansion house building with an interior contemporary design beautifully.

The function suite available is adjoined by a modern stylish bar ideal backdrop for your drinks reception.

Christmas Themeing:

Fire and Ice: We would use the already stunning amber decoration of this room to create a contrasting Fire and Ice Theme to create an exciting Christmas ambiance. This theme pulls the traditional colours of Christmas today with all the excitement and exuberance of the fire using ambers and reds we'll offset with icy crystals and blues for a stunning effect at your selected venue.

Optional theme

Hollywood Oscars: High glitz and glamour would be the tone set within the room. Tables would be dressed using sparkling silver covers with sashes, table glitter and props such as mirror ball centerpieces and clapper boards and film reel. The room will have film and film star memorabilia around the edges to create an ambiance befitting Oscars. (please ask about upgrading this theme with an Award Ceremony for staff)..
