Decadent Edwardian Venue in heart of Mayfair

This Christmas wow your guests with a magical winter wonderland.

A beautiful venue in the heart of Mayfair with Edwardian decadence combined with contemporary design.

Your guests will be greeted by the warm glow of the crackling fires where they will enjoy sparkling wine & ice cool cocktails.

As the evening gains momentum your guests will be enticed through the ice tunnel into the magical winter wonderland. The tables will be adorned with beautiful ice themed centrepieces, the room lit with cool blues and falling snowflakes where your guests will enjoy a sumptuous selection of delicious dishes.

Twinkling mirror balls & the fabulous DJ will have your guests on the dance floor! Alternatively, guests may wish to chill in the ice bar or have some fun in the games zone.
